RE: Regulation Docket 103-607

Dear Ms. Judy M. Matthews:

Navacore, LLC was notified that our certificate of authority to provide local exchange services in the state of South Carolina is in jeopardy of being revoked. Navacore, LLC is submitting this letter to inform the Commission that we do not currently provide services to residential customers within this state.

Navacore, LLC respectfully requests a waiver of the requirements to file a bond with the South Carolina Public Service Commission pursuant to 26 S.C. Code Ann. Regs 103-607 (Supp. 2011), as subject to the Commission's jurisdiction providing residential local exchange services.

Navacore, LLC asks that this letter be entered as rule to show just cause as to why our Certificate of Public Convenience and Necessity as a provider of Telecommunications Services in the State of South Carolina should not be revoked.

Thank you for your assistance in this matter. If you require any further information, feel free to contact me at (803) 324-4080.

Sincerely,

Thomas K. Gwyn
President
